Date: May 2024

Look What We're Studying...

It is hard to believe it is May!

We have a lot of fun activities planned for our last few weeks of school. We will continue learning how to express ideas and feelings appropriately. We will practice our social skills while we play together. We will review shapes, colors, letters and numbers through various activities this month. We will get messy and make music. We hope to make lots of sweet memories as we count down to summer break!

Reminders

We will go outside daily if the playground is not too wet from rain. Please dress your child for the weather and with playground appropriate shoes. Our playground is mulch covered. Sandals/crocs and mulch don't go well together.

For afternoon classes:
Please make sure lunch boxes and water bottles are labeled. Only plain water may be in water bottles. Flavored water/sugary drinks attract bugs outside.

Special Notes

We love to celebrate birthdays! We have several birthdays to celebrate in May. (Including Mrs Neff's on May 6) Please choose birthday treats that will be easy to eat and clean up. No icing please.
