End of Year Info

The end of our school year is rapidly approaching, and we have many exciting activities planned this month! Several of these activities will take place outside, weather dependent, so please dress for the weather each day.

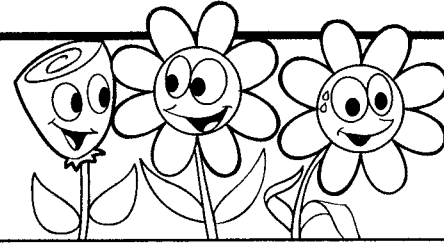

Please let us know if your child's last day will be earlier than 5/23, so we can be sure to send home all their things with them earlier!

Shoes

We will continue to try to utilize our playground and outside time whenever the weather cooperates. Please continue to send your child in appropriate footwear for our outdoor activities. Closed toe shoes work best to avoid irritation from our playground mulch.
